Faith Based Initiative

- An effort to reach out to non-traditional communities
- Builds on lessons learned while working with Communities of Faith on HIV Prevention and Education
- Leaders of faith as gatekeepers and stakeholders in the community
- Allows for a better access to diverse communities

Plans for the Future

- February: Interfaith Service on Hepatitis Awareness
- May: Participation of Faith Leaders in the commemoration of World Hepatitis Day/Hepatitis Testing Day and National Hispanic Hepatitis Awareness Day
- Ongoing: Regular meetings of the Faith Based Initiative.
