

THE AHF FUND

COVID-19 Emergency Support Application Guidelines

Goals

- To support communities in the fight to stop the spread of COVID-19.
- To provide funding to not-for-profit and civil society organizations for their prompt COVID-19 responses.
- To cover a wide range of emergency needs, including but not limited to personal hygiene products; daily necessities; educational/awareness activities; and urgent operational needs.

Funding Amount

- Maximum grant amount of \$25,000, with the possibility of reapplying as needed.
 - If the organization requires additional funding, they may apply for an AHF Fund grant for assistance over a longer term.

Application Procedure

- Applicant is invited to complete a brief application form.
- Application will be reviewed and approved by AHF senior staff.
- Applicant will receive funding within 5-7 business days after approval and after AHF has received required banking documents.

For applications and/ or questions, please contact: ahffund@aidshealth.org.
