

# Free Hep B Screening

Hep B is the major cause of cirrhosis, liver cancer, and other long-term liver diseases. Get tested regularly and consult a specialist!

## Share your HEPATITIS B story with us!

If you have found out that you are a hepatitis B carrier through a blood test, join the KCS Liver Health Team, share your story, and receive a \$100 gift certificate.

**2025. 9. 13 (Sat.)**  
**10:30 AM - 2:30 PM**

**Herald Gospel Plaza**  
**42-35 Main Street, 2Fl,**  
**Flushing, NY 11355**

Easily make a reservation by scanning the QR code!
